

Tell Us a Little More About This Inherited IRA

Fidelity

Do you know whether Jane Doe put money in this IRA that didn't get deducted on Jane Doe's tax return? (This is called a nondeductible contribution.)

Important: Most people **do not** have nondeductible IRA contributions.

If you're not sure, you can skip this topic by selecting **I don't know**. We'll treat the contributions as deductible and continue with your return.

- Yes**, Jane Doe had nondeductible IRA contributions. (This is not common.)
- No**, Jane Doe didn't have any nondeductible IRA contributions.
- I don't know.

If Jane Doe kept records of nondeductible contributions, you can determine how much of the \$22,222.00 distribution is taxable. [Show Me How to Do This](#)

Once you know how much is taxable, enter the amount below.
